Summary: The Defense Department vote slip approval has been received by the Director of PSB with a recommendation that the action assignments be deleted; however, approval was not conditioned upon acceptance of this recommendation. Your vote slip approval has been submitted to you for signature. Department of State recommends three changes of action assignments but approves the substantive provisions of the plan.

The CIA staff believes that the Director of PSB should be authorized by the Board to secure this agreement informally among departments and agencies on the action assignments.

Recommendation: That the Director of PSB be authorized to resolve the reassignment of actions under the three items listed by the Department of State; that the Board approve the plan with this stipulation.
